
2017 CLAY STUDIO SCHEDULE

Discover your connection with clay!

We will take you step by step through all the aspects of wither hand-building/sculptural work or wheel throwing. Both avenues will also include the firing and glazing process.

Your clay class registration allows you to come for all OPEN STUDIO sessions to practice or to work on your current projects.

Class sizes are limited.

Register in the BMCA office (main building middle floor) or online.

Six-week sessions are \$190

\$135 (for tuition and open studio) + \$55 lab fee (for clay, glazes and firing)

Experienced potters: apply for our Independent Study Program, a non-production option for \$100/month, clay extra
